Tamar Trial 2010

One of the most testing sections was Angel Steps near Sydenham. Amongst those to conquer this hill was Simon Eddy and his novice passenger (left) on his outfit. They went on to win the Bude & District Challenge cup. This performance contributed to Simon's success in the ACTC Motorcycle Championship where they have won the Red Rose for best performance on an outfit.

Tristan White's last minute entry in his class 7 Imp turned into a highly successful outing in his Class 8 Troll (right). Winning the Tamar Trophy, just beating Dudley Sterry on Special Test Times. Positions were reversed in the ACTC Wheelspin League.

Simon Grose & Emma Robilliard won the Club Cup. Here (left) their much trialled Escort can be seen disappearing into the sun towards the summit of Angel Steps. Final Results of this event and some more photos can be seen on the club website <http://www.lncmc.co.uk>

Chairman's Chat

From my observation at the Lunch stop, marshalling on Section 12 in Eastcotttdown, and visit to the finish, The Tamar Trial went well and seemed to be enjoyed by all, even if a few well known names failed to get away from the start on our section.

The weather before the event, and on the day, was kind this year leading to generally low scores and many climbs of Park Impossible. Well done to Tristan White, and Dudley Sterry, for clean runs. Something I don't think we have had in the Cars before, though it has not been unusual with the bikes in the past. This year however the deviation on Mine View made sure that none of them went clean.

My thanks go to the Two Peters, stand in secretary Jan, and the whole Tamar Team for putting together a really good days sport.

Hopefully by the time of our next event on **MONDAY 27th December** the present cold weather may have warmed into something more conducive to blowing away the indulgences of Christmas. So I look forward to seeing a good entry of newly preened trials formula cars at James Tancock's Farm. This is a real chance for all the lurking local cars to appear out of their murky hiding places and set about any vurren vehicles that dare to venture west. There is also a very good pub just a few yards away! So lets be 'aving you.

Dear Classic Vehicle Enthusiast,

CLASSIC VEHICLE MEET BOXING DAY 26th December 2010

We at Bossiney House Hotel are sponsoring a CLASSIC VEHICLE MEET on BOXING DAY (Sunday) this year. Entry is completely free and the event starts from 11.00 and officially runs to 3.00pm. Cars, any motorcycles or farm equipment together with their owners and any spectators are welcome.

Boxing Day so often turns into a TV day, or worse, a washing up and post-Christmas chores day. We hope to get folk to take a ride out to this most beautiful part of Cornwall, meet other enthusiasts and spread some Christmas cheer along the way. Everyone smiles at a well turned out classic vehicle. The idea is to offer a venue for all to display any cherished vehicle in the large car park in front of our hotel but, most of all, provide some good humoured holiday fun for all. Fancy dress and Santa suits appreciated!

BOSSINEY is the charming hamlet adjacent to TINTAGEL and on the scenic route to BOSCASTLE only 3 miles away. Fine Coastal views abound and the area is a great place for a casual drive with lots of interest.

Bossiney House Hotel will have food and facilities available for participants and viewers. The bar will be open together with burgers and hotdogs and hot chestnuts and tea. hot chocolate, cappuccinos, and suchlike. We will make a moderate charge for refreshments with profits to Cornwall Air Ambulance. In addition, since Boxing Day is a Sunday, we will run our usual Sunday Carvery lunch in the restaurant – but no turkey, that's a promise.

We are keen to make an event that will encourage people to get out and enjoy a wholesome Boxing Day social event and hope you will come along and encourage others in your circle of friends or club whether they exhibit a vehicle or not.

With Seasons Greetings,

Douglas Finlay
